

## Disclosure

This website and the franchise sales information on this site do not constitute an offer to sell a franchise. The offer of a franchise can only be made through the delivery of a franchise disclosure document. Certain states require that we register the franchise disclosure document in those states. The communications on this website are not directed by us to the residents of any of those states. Moreover, we will not offer or sell franchises in those states until we have registered the franchise (or obtained an applicable exemption from registration) and delivered the franchise disclosure document to the prospective franchisee in compliance with applicable law.

Filling out and submitting a website inquiry is only a starting point in our respective analysis as to whether we should enter into a franchise relationship. Consequently, your submission of a website inquiry is for information purposes only. This website inquiry is not an offer to sell or a solicitation of an offer to buy a franchise. No sale will occur prior to the execution of a Franchise Agreement and the payment of all required fees by you. Neither our acceptance of a website inquiry nor any discussions resulting therefrom constitute any commitment on our part to enter into any agreement to sell a franchise.
